

CBD Infused Massage Consent

I, _____ understand that I will be consuming a tincture that contains a blend of CBD and THC. I authorize Mind & Muscle Medicine, LLC to administer the tincture and have been explained of its use and benefits. I consent that I am in optimal health and am able to internalize the tincture and do not hold Mind & Muscle Medicine, LLC liable for any negative health-related responses due to withholding any and all medical conditions that may or may not be in direct relation to the treatment itself. I also understand that the tincture does contain a very small dose of THC and that it may or may not show up in a drug test and that I do not hold Mind & Muscle Medicine, LLC reliable for loss of job, loss of benefits or any other outcomes from a drug test. I also understand that the ingestible tincture is an option and that I have every right to not participate and that if I do choose to participate it is of my own free will.
