The Grand Valley Strength Games is a 2-day event!

Day 1 is April 12th and Day 2 is April 13th

These options are for **each day!** Because the event is being held on City Property it is required that your truck be listed and filed as an approved food vendor. If you still need to get this done, don't worry you still have time!

You can visit the city website at gjcity.org.

This is the first year for this event and it will become an annual thing. So granted we don't have a head count of what to expect this year, however due to the magnitude of the event and all the different events happening within we expect a really really good turn out! We have athletes coming in from different states and marketing on the event is only increasing as we get closer.

This is a strength event, so people are going to be very hungry! We would love to have you join us and even if it's for only 1 day! Day 1 vendors will be in & around Lincoln Park! Day 2 vendors will be in the Stocker Stadium area!
